

## SCHOLARSHIP APPLICATION

Through a collaboration with CANAPI, The LGBT Center of Greater Cleveland and the 2014 Gay Games presented by the Cleveland Foundation, additional funding has been awarded from The George Gund Foundation and The MetroHealth System. This scholarship funding will allow the 2014 Gay Games to be the most diverse Games in history by awarding registrations to underrepresented populations. Priority will be given to those who meet the following criteria: ability to pay, race/ethnicity, age, women and transgender or gender non-conforming individuals. Successful first round applicants will be notified starting June 23, 2014. Applicants not selected will have the ability to purchase registration without late penalty. In most cases, scholarships are limited to the cost of the general registration fee (\$225 value). Per the scholarship funders, this opportunity is limited to Ohio residents only with preference given to northeast Ohio residents. **Deadline to apply: July 1, 2014**
