

## **Formation Team Registration and Payment Information**

Updated or Revised April 1, 2014

Participants and teams who want to compete in the Formation Team dancesport event will need to:

1. Identify one member of each Formation Team as Team Captain who will be responsible for paying registration fees and providing team information.
  - a. The Formation Team Captain **MUST** register as a general GG9 participant and pay the registration fee (\$195, plus any late fees that apply--see general registration information).
  - b. The Formation Team Captain **MUST** register for the Dancesport Formation Team Event and pay the \$145 (plus any late fees that apply—see general registration information) Dancesport registration fee. Once the Team Captain has paid this fee, that person may also enter other Dancesport events without paying any additional registration fees. If the Team Captain has already registered in other Dancesport events and paid the Dancesport registration fee, no further payment is required for the Formation Team.
  - c. The Formation Team Captain **MUST** submit a list of the names of all dancers on the Formation Team to [GG9Registration@nasspda.org](mailto:GG9Registration@nasspda.org) **no later than June 1, 2014**. This list will be used to ensure that each individual team member has successfully completed a GG9 participation registration. The list of team members will be maintained at the entrance to the Dancesport venue to ensure that they have been appropriately identified as team members. No Formation Team members will be permitted to compete unless they have individually registered as GG9 participants.
  - d. Formation Team Captains will be provided a “Formation Team” badge that must be worn by registered formation team members for entrance into the dancesport venue. Only one badge per team member is allowed. This badge will allow entry into the Dancesport venue only on the day their Formation Team competes. Each badge will show the individual’s name and the name of their Formation Team.
  - e. Each individual dancer in a formation team **MUST** register as a general GG9 participant and pay the general registration fee (\$195, plus any late fees that apply--see general registration information). If any Formation Team member is dancing in other dancesport events, that person is responsible for appropriately registering herself or himself for those events and paying the required fees.
  - f. Formation Team members will be admitted into the dancesport venue at no additional charge on the day the formation team competes (by displaying “Formation Team” badge). If Formation Team members want to attend/watch other dance events on days when their Formation Team is not competing, they **MUST** purchase spectator tickets.
