GG9 Indoor Volleyball Notes

GYM – The Convention Center will open at 7:45 am each morning.

PRACTICE – The Convention Center will be open on Sunday, August 10th from 2 pm to 5 pm on a first come basis. The tournament director will be on site in case there are any questions.

CAPTAINS' MEETINGS – There will be three captains' meetings, one each morning we play. The Monday and Tuesday captains' meetings will take place at 8:30 am at the command center. The Wednesday captains' meeting will take place at 8:00 am at the command center.

POOL PLAY – Pool play matches will begin at 9 am. All pool play matches are 45 minutes, which includes 5 minutes for warm-up and 40 minutes for play. All pool play matches begin with a score of 4-4 and are played to 25 points. There is a 27 point cap for all pool play matches. If a tie exists at the time of expiration of a set, play continues until the next point is awarded. No timeouts are allowed after the two-minute warning. Pool play matches will be played Monday and Tuesday.

TEAM RATINGS – During Monday pool play, teams will be placed in the divisions in which they registered. All teams will be evaluated during Monday pool play to see to ensure they are in the correct division. A team may be moved to a more appropriate division (up or down) based on their play for Tuesday pool play. Please ensure that your team is trying its best during pool play while being rated.

SEEDING FOR TOURNAMENT – Assignments and identification of all divisions will be according to pool play results (discounting record against team from different divisions). Ties may be broken by (1) point differential during pool play, then (2) coin flip. Point differential is determined by total points won divided by total points played for each specific team. All tournament play will begin and be completed on Wednesday. Tournament matches will begin at 8:30 am. There will be four divisions, each with their own tournament – A, BB, B, and C.

WINNERS BRACKET PLAY – Winners bracket matches will be untimed. All sets begin with a score of 0-0 and the first team to win two sets wins the match. The first two sets are played to 25 points with no point cap. If needed, the third set is played to 15 points with no cap (must win by two) and teams switch sides at 8.

CONSOLATION BRACKET PLAY – Losers bracket matches will be untimed. All sets begin with a score of 0-0 and the first team to win two sets wins the match. The first two sets are played to 15 points with no point cap. If needed, the third set is played to 15 points with no cap (must win by two) and teams switch sides at 8.

REFEREES/SCOREKEEPERS – All teams must provide a first referee, second referee, scorekeeper, and lines people for each match they are assigned as the refereeing team. Please let us know if your team will not be able to fill the first referee position, and we will work with other players to handle this duty. Your team will only need to provide a first referee for the pool play matches – we will have USAV Officials for tournament play.

NUMBER OF PLAYERS – Under no circumstances may a team play with less than 6 players. If an injury occurs, we will assist your team in adding a player to your incomplete roster. Roster additions are not allowed during tournament play other than due to your team becoming incomplete due to injury.

PROTESTS – Protests are NOT allowed for judgment calls. During pool play, all protests should be noted on the score sheet and play should continue immediately. The protest committee will decide the protest after completion of the match. During tournament play, play should stop immediately and the refereeing team should come to the Command Center to contact the protest committee. The protest committee will come to the court to hear the protest and make a decision on the protest. All protest committee decisions are final. The protest committee will consist of three people.

SPORT COURT RULES –

1. No pursuit is allowed.
2. A player may go off the sport court before, during, or after playing a ball. If a player touches any part of another sport court at any time, the play is over and the point is awarded to the other team.
3. When serving, some portion of the server's body must be in contact with the sport court.
4. All other FIVB rules will be enforced, unless superseded by numbers 1 through 3 above.
